Information

An ambitious student, trying to get the best for not only me but for everyone else involved. Very Creative when doing my personal work, but always putting the effort in.

EXPERIENCE

Coding

- Learned Multiple Coding Languages, developed them into multiple websites about different things
- Includes: HTML, CSS, Bootstrap. Mostly worked in Replit, Beginning to work in VS Code

Adobe

- Made multiple creations within Adobe applications
- Main ones were in Photoshop and Illustrator

Music Production

- Have made multiple songs on Soundtrap
- All songs created were all part of a competition.

EDUCATION

Freehold Township High School - *Currently Sophomore*

Started September 2021- Ending June 2025

Currently in multiple honors classes, while also about to take AP classes next year.
